Easter Bake Off

Well done to everyone who participated in our School Parliament Easter Bake Off. The entries were all amazing, making judging very difficult. Over £50 was raised during the cake sale so on behalf of Mrs Saunders and School Parliament, a great big thank you!

Swimming

This morning, Dolphin Class (Nursery, Reception and Year 1) began their swimming sessions. These sessions will continue to take place for 9 weeks. As parents, you are welcome to watch in the café. For children in Nursery, we are asking parents to attend swimming and go in the pool where possible. The children will require a swimming bag, towel, goggles and arm bands if they have them. It is helpful if children come to school with their costume/trunks under their uniform. A reminder that the total cost for 10 sessions is £26 (£13 per half term) please send this in a named envelope to the school office by Friday.

**If any parents of Nursery children would like to opt out of swimming, please contact Miss Jackson or myself.*

Welcome back...

A warm welcome back to what is set to be another very busy term here at ISP. I hope you all had a lovely Easter break and are feeling refreshed ready for another successful term. Dolphin class are beginning the term with two additional children who have joined Nursery – we hope they will be very happy at ISP.

School Improvement

Here at ISP, we work incredibly hard to provide the best education and experiences for our pupils. We are constantly striving to improve and one of our recent projects has been the outdoor grounds. You will have observed the many improvements already made and over the holidays, we started on the next project. Our garden has been completely transformed and we are delighted with the results. Each class will have a growing bed – both children and staff cannot wait to get started. Look out for details regarding the grand opening ceremony!
