### School Meals

In order to ensure adequate time for deliveries, the ordering process for grab bags or food boxes will now be live on ParentMail every **Tuesday** to be completed by **Wednesday 12pm**.

This applies to FSM and UFSM (Reception-Year 2). Thank you Mrs Buckingham for ensuring our catering service is still available.

If your financial circumstances have changed, you may be eligible to apply for FSM using the following link:

<https://www.gov.uk/apply-free-school-meals>

If you have any questions, please do get in touch.

### Thankful Window

Thank you to everyone who has sent me posters for display. I'm sure you will agree, the window display looks lovely and shared a colourful 'Thank you' to all Key Workers. Thank you again to Mrs Doherty for taking the time to display this.

### Onside Sports

In addition to the optional activities supplied by Miss Morrison, you may wish to view those provided by Onside Sports using the following link:

Final words...

As hopefully many of you saw on my Friday Class Dojo post, I aimed to reassure you that we appreciate these are very difficult circumstances. Whilst closed, we do have a duty to provide learning therefore activities will continue to be uploaded to Class Dojo however, please only access what you feel appropriate and manageable – all situations will be very different. If you are feeling overwhelmed with Class Dojo, perhaps take a break and only look at this once or twice a week. My newsletter will be sent via ParentMail every Monday so you will still receive important updates. Myself and Mrs Kidson are making weekly contact with some families and Class Teachers may also make contact every couple of weeks to say a friendly hello and check you are all well.

As always, thank you for your support and if you require anything, please do get in touch via email and I will be happy to help. Team ISP will get through this, together.

Best wishes to stay safe and take care,

*R E McFarlane*
