Week Commencing: Monday 2nd July

Value of the Month: Thankfulness

Sports Day

As you know, Sports Day is planned for this **Friday 6th July**. Photographs are permitted however must not be used on social media without consent. It will begin at 1:15pm prompt. It is set to be another hot day therefore, we urge you to send children in with sun cream, hats and water bottles. We hope to get through the planned races quickly however if anyone has a gazebo that they can lend and put up on the top field on Friday morning, please let the school office know.

Reports

Reports were sent home with all children last night with the exception of Year 6 who are on transition days. It was a pleasure reading all the reports and writing my individual comments. As in previous years, we would appreciate feedback and any comments on reply slips to be returned by Friday 13th July.
Thank you.

Hot Weather

With the hot weather we are experiencing, it is essential that you send your child in with a water bottle, sun cream (if not already applied) and sun hat.

Star of the Week

Dolphin Class – Harry Cush
Whale Class – Jackson Postlethwaite
Shark Class – Scarlett Wren

Well done children!

Please hand yellow jumpers in at the end of the day on Friday to be washed.

Open Day at Rankin Hall

On Saturday 7th July, there will be an open day at Rankin Hall in Askam. This has been organised by Ireleth and Askam WI and the focus of the day will be the two schools in the village, ISP and Askam. A selection of children's work will be entered for various competitions and be judged on the day with prizes given. (Miss Ritchie will reveal a baking competition on Facebook and Class Dojo)
Myself and other staff members will be there representing school and we are hoping that many of you will support ISP and pop along if you can. The event is on from 11:30am-2:30pm and admission is 50p including refreshments. During the afternoon, there will be a raffle and other stalls. The event is sponsored by Askam and Ireleth Parish Council and all proceeds will go to the Narawal Project.

Hopefully, we will see lots of you there on Saturday.

Dear God,

Thank you for taking care of people in need. Thank you for giving us fresh water to keep us healthy and to keep plants alive.
