

Shark Class Year 5 & 6

Ireleth St Peter's C of E Primary School
Summer 2017

Dear Parents,

Welcome back! I hope you all had a relaxing break over Easter. Who would have thought summer term would come round so quickly! I am incredibly proud of how far Shark Class have progressed both personally and academically. I am looking forward to another exciting, successful and rewarding term ahead.

Class Structure

The children will continue to be taught by myself every morning in Shark class. For this term, Mrs Saunders will be working full time and will therefore take charge of Whale/Shark Class (Key Stage 2) in the afternoons.

Next week, we will welcome Chloe Wood into Year 5. I'm sure everyone will make her very welcome. This will take the total children in Shark Class to 14.

Curriculum

The children will study Maths, SPAG and English in the morning and Science, RE, Computing, Art and PE in the afternoons. This term's topic is Ancient Egypt!

Reading

We encourage children to read at home wherever possible to maintain the progress that is made in school. Please remind children to hand their reading books in to Miss Ritchie when they need changing.

News

Please look out for my weekly newsletter, which is sent out every Monday. Newsletters and other letters of interest can now be found on the new school website at <http://www.irelethst-peters.cumbria.sch.uk>

Contact details

We have received very positive feedback regarding our text message service. Please ensure your contact details are up to date in the school office.

Homework

This will continue to be sent out every Friday and handed in by the following Wednesday. As the children are in UKS2, they are responsible for putting their homework books in the tray each week. Any overdue homework will not be marked.

Parent Information Session

On Friday 26th May at 2:00pm, we have a nurse in school to meet with those parents who have children in Y6 to discuss puberty.

London Residential

A reminder that outstanding balances need paying by **Friday 26th May**. If any parents are concerned about the location of this trip, there is a meeting taking place at Broughton School on Wednesday 26th April at 4:00pm with Paul, the owner of Fussell's Travel.

Y6 SATS

This year, SATs will take place week commencing **Monday 8th May**. In preparation for this, you will receive a timetable and guidance on how to support your child during the week. Thank you for supporting your child in the lead up with revision and positive encouragement. I'd also like to thank the Y5 children, who have been a great support to our Y6 children!

Thank you
Mrs R E McFarlane
